

Perfect Your Porch

Crank up the porch appeal outside your own front door. Standard and wide width porch boards offer design versatility and unrivaled performance. Tap into the timeless beauty of a well-thought out porch without sacrificing the modern convenience of superior materials that will last for decades to come.

- Most advanced polymer material in the cap and core is inherently impervious to moisture and combats fading, staining, and weathering with Alloy Armour Technology®.
- Extremely low-maintenance – Never requires sanding, sealing, or staining.
- Unbeatable resistance to mold and mildew keeps boards from rotting, splintering, cracking, or warping
- Superior resistance to fading, staining, and weathering – backed by a 50-Year Fade & Stain Warranty.
- Tongue-and-groove installation allow for smaller gaps between boards
- Made from up to 54% recycled material

BROWNSTONE SLATE GRAY SILVER OAK® Special Order

Depending on environmental conditions, AZEK® Porch colors may appear to change over time as part of the natural weathering process consistent with the warranty guarantees where applicable. All AZEK Porch products will experience weathering.

Based on lab testing, AZEK® Deck and Porch products are cooler to the touch than many other deck board products in similar colors, all decking products will get hot in the sun. Additionally, the darker the decking color, the hotter it will feel.
